Hey BADRites,

I send my most hearty apologies for being late, but at least here I am.

First off, I have some bad news – I need to cancel this year's BADR ½ Marathon. I won't be in town that day, so I'm unable to host the race, and we tried to find several alternative days, and nothing worked, so we decided to cancel. But, turn those frowny faces into smiley faces. The race will be back next year.

Second off, I'm also behind in the postings. I've been so busy lately that I just haven't had the time. But once I get back in town, I will start hosting training runs for SF Marathon. So stay tuned. I'll get the June calendar out near the end of may.

Other than that, I hope you are happy and your training is going well.

Have a good Easter, and I hope you find all your eggs!

Nice Butt
